Notable Projects Completed as Plumbing Superintendent:

All of the larger projects that I've completed as a plumbing superintendent over the last 32 years can be seen on my website. My website has hundreds of pictures of projects that I supervised, dating as far back as 1995. Many of the smaller projects that I supervised are shown there too. The website address is:
<https://davidstauffer-plumbingprofile.com/page/>.

Education:

McEachern High School - Powder Springs, GA	1985
VDCI - BIM 101	
VDCI - BIM 201	
VDCI - BIM 322 – Revit Plumbing	
VDCI – BIM 361 - Introduction to Navisworks (currently taking as of 12/17/2025)	

BIM (Revit, Navisworks, etc.) Capabilities:

My progress in learning BIM can be seen on my website at: <https://davidstauffer-plumbingprofile.com/revit/>.

Videos of my progress in learning BIM can be seen on my YouTube channel playlist at:
